

Logo — recreated from the original

Faithful inline-SVG rebuild of the commissioned "Option 1" identity (dsoares · daniela.soares.design) from the brand deck in Website/Logos. The "O" is a keyhole ring with a coral smile (keyhole + face); the "Z" carries a coral crescent. This is what the site now ships. For a pixel-perfect vector, drop the designer's original AI/SVG in.
